Summary

I have been volunteering with youth organizations and NGOs since 2013, because I believe in making a difference in society through selfless and sincere practical efforts.

I volunteer, because it allow me

- to become the leader of change in society and make difference in lives of many people.
- to learn plenty of soft skills, management skills, report writing, and problem solving strategies.
- to practice and improve technical knowledge such as web development and managing social media marketing campaigns.
- to make new contacts with people from diverse backgrounds, cultures and professions.
- to gain more and more real world experiences.
